Hunt Roche Estate Agents, Alexander Court, 66 Ness Road, Shoeburyness, Essex SS3 9DG 01702 290900

Overview

Occupying a significant plot within the highly desirable Church Road area, this remarkably spacious semi-detached home offers considerably more accommodation than its relatively unassuming frontage might suggest. Predominantly arranged across the ground floor, with an additional upper-floor Bedroom and extensive eaves storage, the property offers an unusual degree of flexibility and would be particularly well suited to a larger or multi-generational family.

An impressive Reception Hallway provides access to the principal ground-floor accommodation, including a substantial 23'6" extended Living Room with feature stone fireplace and direct access to the garden. The generous 18' Kitchen/Breakfast Room is fitted with farmhouse-style cabinetry and provides ample space for a dining table and chairs, with French doors opening onto the garden and the fitted appliances and white goods remaining as part of the sale.

The arrangement of the remaining ground-floor accommodation is a particular feature of the property. Depending upon individual requirements, the home can provide up to four ground-floor Bedrooms, whilst two of these rooms are particularly well positioned to offer annexe-style or dual occupation potential, subject to any necessary consents. Equally, they could be utilised as additional reception rooms, Home Office, Playroom or Guest accommodation, allowing the layout to adapt as family requirements change.

A particularly spacious Family Bathroom with both bath and generous walk-in shower is complemented by a separate Guest WC. The upper floor provides a substantial south-facing Bedroom, together with a generous walk-in eaves storage area. The arrangement may also offer scope for part of the eaves space to be reconfigured to provide separate bathroom/shower facilities serving the upper floor, subject to feasibility and any necessary consents.

Outside, the south-facing rear garden is a major feature, extending to approximately 100ft x 50ft and offering an excellent degree of seclusion. Predominantly laid to lawn with mature trees, shrubs and established planting, the garden incorporates meandering pathways and a choice of patio and seating areas, including a secluded pergola-covered area towards the rear.

To the front, the generous shingled frontage provides ample off-road parking and access to the double-width Garage, with rear access and an approximately 4ft-deep inspection pit, likely to particularly appeal to a motoring enthusiast.

All of this is positioned within the established and highly regarded Church Road location, conveniently placed for local amenities, transport connections and the beachfront, and is offered with the significant advantage of NO ONWARD CHAIN.
