To the Outside of the Property:

Although relatively compact, the rear garden has been cleverly designed and thoughtfully arranged to maximise the available space, creating a variety of attractive and practical outdoor areas.

Immediately adjoining the rear of the property is an enclosed patio seating area, providing an ideal space for outdoor dining and entertaining. The garden incorporates a small lawn area, established planted borders with a variety of mature shrubs and climbing plants, paved pathways and decorative timber trelliswork, which helps to create a sense of privacy while dividing the garden into defined areas.

Further covered seating area provides a sheltered area featuring a distinctive brick-built outdoor fireplace/stove with an arched mesh-fronted opening and chimney flue, set within a trellised enclosure.

Two pitched-roof brick-built outbuildings both benefit from power and provide excellent workshop, hobby or storage space.

The garden is enclosed by timber-fenced boundaries, with gated access to the rear providing direct access to the residents' parking area.
